FOR IMMEDIATE RELEASE

Chicago, April 20, 2023 – Not-for-Profit giant Feeding America announced today their vacancy for *Vice President, Financial Planning* to lead the budgeting, financial reporting, and revenue forecasting functions of the organization. The new Vice President, Financial Planning will play a significant role with leaders of all functional teams to assist in reporting, forecasting, analyzing financial operational results, and conducting analyses to support and execute better financial decisions for the organization. They will oversee the organization's accounting practices related to restricted contributions, while generating and reviewing the development of the annual valuation of donated goods and services for Feeding America.

Details

For over 40 years, Feeding America has responded to the hunger crisis in America by providing food to people in need through a nationwide network of food banks. Feeding America is the largest charity working to end hunger in the United States. They partner with food banks, food pantries, and local food programs to bring food to people facing hunger. They advocate for policies that create long-term solutions to hunger.

How To Apply

For those interested in applying for the role of *Vice President, Financial Planning* for Feeding America, you may visit the website of the organization's Executive Search Partner, Gomez Partners, at: www.DavidGomezPartners.com/Careers/, or email resume to: Recruiting@DavidGomezPartners.com.
